Students must pass both the Language Arts and the Math portions of the California High School Exit Exam in order to graduate.

Credits at Delta are trimester credits. Credits received at most Santa Cruz County high schools are semester credits. The following conversions apply:

1 semester credit = 1.5 trimester credits

1 trimester credit =  $\frac{2}{3}$  semester credit

Students are required to take a mathematics course each term if they have not met their graduation requirement in mathematics. If they have completed their mathematics requirement, they must take a science course unless that requirement has also been met.
